

ROB – The Band, a Bluesrock Trio.
born at the times of Robert Johnson, dipped into the thrill
of Jimi Hendrix, reborn at the times....

this **Power** is timeless!

Essential Reduction.

„they just run over you“

3 high end musicians play the Bluesrock somewhere between Jimi
Hendrix, Gary Moore, Jeff Healey – you can't describe it. You better
experience this: Ecstasy, Energy, Groove...exuberant, minimalistic,
everything....anything happens.

Robert Kopetz (guitar, vocals), Calo Schmidt (bass guitar), Thomas
Bittner (drums). Three musicians on the trip of their lifetime.

They surely get you!
